Sponsorship information

The organization of the 10th International Workshop on Sap Flow, to be held in Fullerton, California (USA) from 22 to 26 May 2017, offers businesses and organizations the opportunity to demonstrate their interest in the topic by becoming sponsors of this international conference.

Four partnership packages have been tailored to provide maximum exposure and offering extensive branding opportunities both before and during the conference. However, if your organisation would like to be involved in other ways, we would welcome the opportunities to discuss these with you.
